

Where do **YOU** see your money being spent??

In every charitable Society it is essential that money donated is spent in the manner satisfactory to the donor. To enable our Society to function correctly within those guidelines the current Committee would be grateful if you our supporters would take a moment to complete this questionnaire and send your replies to the SPCA Shelter for our analysis.

If you do not wish to deface your copy of the magazine, an e-mail with question number and your selection would be sufficient.
